- Someone to come out and help. If **your car** cannot be made roadworthy immediately it will be taken to our nearest **approved repairer**.
- Your car** can be taken to a repairer of your choice if this is nearer, but this may lead to delays in arranging the repairs to **your car**. **We** do not provide a courtesy car if **you** decide to use a repairer of your choice, even if the courtesy car option is shown on your **schedule**.
- Transport home or completion of journey for the driver and passengers.

You are reminded of your responsibilities to report any accident, injury, loss or damage to **us** as soon as possible so **we** can tell **you** what to do next and help resolve any claim.

European policy requirements and limitations

Service providers

Unless the services are provided by **RAC** patrols or contractors acting on **our** instructions and on **our** behalf, **we** do not give any guarantee as to the services provided by garages, breakdown/recovery companies, repairers, hire car companies and other third party service providers whose emergency services **we** arrange on **your** behalf and/or pay for under Continental Breakdown and Accident Recovery - they do not act as **our** agents or subcontractors and **we** do not accept responsibility for their acts or omissions. **You** should check that any repairs to **your car** are carried out to **your** reasonable satisfaction.

Availability of service in Eastern Europe

Every effort is made by **RAC** to make sure that a good quality service is provided in eastern European countries but this may not necessarily be to the same standards as in Western Europe. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available.

Service in certain countries may become disrupted or unavailable due to prevailing political, economic, infrastructural or environmental conditions, for which **RAC** cannot accept responsibility. Information can be obtained from the Foreign & Commonwealth Office (FCO) - www.fco.gov.uk.

Important self-drive hire car information

We normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as **your car**, if there is one available. If **you** were travelling in an MPV or similar vehicle **we** may arrange two hire cars. **We** will only arrange this if there are two qualified drivers in **your party**. Otherwise, **we** will arrange alternative means of transport.

Self-drive car hire arranged under **your** cover will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other licence penalties. The driver must also have held a full UK driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire car and to cover extras such as top up of the fuel tank when returning the hire car. Car hire companies insist on having credit card details at the time of the booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire car must be the same. Debit cards are not acceptable. If **you** leave a hire car at a different location to the one arranged with the **RAC** control centre **you** must pay any collection charge which may be made.

Please note that many car hire companies within the **territorial limits** charge a damage **excess** which is not covered by the **collision damage waiver**.

In some parts of the **territorial limits**, hire cars are not allowed to cross national borders. In Greece and Eastern Europe, international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete **your car** journey. A car hired abroad must not be brought into Great Britain, Northern Ireland, the Channel Islands and the Isle of Man. A second hire car will be arranged for **your** journey once you are back in Great Britain, Northern Ireland, the Channel Islands and the Isle of Man .

We cannot guarantee a hire car will be available.

We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with a tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans.

We will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with **your** pre-booked ferry. **You** may have to collect a hire car from the nearest available place of supply.

Repayment of credit

You must pay back to **us** on demand:

- any costs **we** have paid for which **you** are not covered under this policy.
- the cost of any spare parts supplied.

Spares dispatch

After **you** have asked the appropriate **RAC** control centre to dispatch parts **you** are responsible for paying them in full, even if **you** later obtain them locally.

We will arrange to dispatch parts as quickly as possible but delays will occur at weekends or bank/public holidays. **We** will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

If **you** do so, **you** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided such cover. If **you** cancel your policy **we** will also charge a fee of £25.00 (plus Insurance Premium Tax where applicable) to cover **our** administrative costs.

To cancel, please contact your insurance adviser at the address shown on your **schedule**.

(4b) **Our right to cancel**

We (or any agent **we** appoint and who acts with our specific authority) may cancel this policy where there is a valid reason for doing so, by sending at least 7 days' written notice to your last known postal and/or e-mail address setting out the reason for cancellation.

Valid reasons include but are not limited to the following:

- Non-payment of premium.
- Where **we** reasonably suspect fraud.
- Where the persons insured fail to co-operate with **us** or provide **us** with information or documentation **we** reasonably require, and this affects our ability to process a claim or defend our interests. See the 'Claims procedure' section of the General Conditions in this policy booklet.

Where **our** investigations provide evidence of fraud or a serious non-disclosure **we** may cancel the policy immediately and backdate the cancellation to the date of the fraud or when **you** provided **us** with incomplete or inaccurate information, which may result in your policy being cancelled from the date **you** originally took it out.

Other insurance

- (5) If at the time of any claim arising under this policy there is any other insurance policy covering the same loss, damage or liability, **we** will only pay **our** share of the claim. This condition does not apply to personal accident benefits under Section 3 - Injury to you or your partner, which will be paid as indicated under that section.

This provision will not place any obligation upon **us** to accept any liability under Section 2 - Your liability which **we** would otherwise be entitled to exclude under Exclusion 1 to Section 2.

Your duty to prevent loss or damage

- (6) **You** shall at all times take all reasonable steps to safeguard **your car** from loss or damage.
You shall maintain **your car** in a roadworthy condition.

Payments made under compulsory insurance regulations and rights of recovery

- (9) If the law in any country in which this policy operates requires **us** to settle a claim which, if this law had not existed, **we** would not be obliged to pay, **we** reserve the right to recover such payments from **you** or from the person who incurred the liability.

Direct right of access

- (10) Third parties may contact **us** directly in the event of accident, loss or damage as allowed under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances **we** may deal with any claim, subject to the terms and conditions of your policy.

Mileage

- (11) **We** reserve the right to establish the mileage on **your car** at any time where your policy has been rated on a selected annual mileage basis. Where the annual mileage has been exceeded your premium will be increased to that which applies to the mileage driven. If **we** become aware that the annual mileage has been exceeded at the time of a claim the additional premium will be deducted from the claim payment. The higher premium will apply from the commencement of the **period of insurance**.

Car sharing and insurance

- (12) If **you** receive a contribution as part of a car sharing agreement involving the use of any car insured under this policy for carrying passengers for social or similar purposes, **we** will not consider this to be carriage of passengers for hire or reward provided:

If the information provided by **you** is not complete and accurate:

- we** may cancel your policy and refuse to pay any claim, or
- we** may not pay any claim in full, or
- we** may revise the premium and/or change the compulsory **excess**, or
- the extent of the cover may be affected.

How your data is used and shared by Insurers and Databases in relation to motor insurance

The data you provide will be used by us and shared with other insurers as well as certain statutory and other authorised bodies for:

- Insurance underwriting purposes i.e. to examine the potential risk in relation to your (and/or a third party's) prospective policy that we can:
- Consider whether to accept the relevant risk,
- Make decisions about the provision and administration of insurance and related services for you (and members of your household),
- Validate your (or any person or property likely to be involved in the policy or claim) claims history (at any time including upon application for insurance, in the event of an accident or a claim, or at a time of renewal).
- Management Information purposes. To analyse insurance and other markets for the purposes of:
 - Portfolio assessment,
 - Risk assessment,
 - Performance reporting,
 - Management reporting,
 - Anti-fraud purposes.

To detect and prevent fraudulent claims and/or activities by:

- Sharing information about you with other organisations and public bodies including the police,
- Tracing debtors or beneficiaries, recovering debt, managing your accounts and/or insurance policies,

- Undertaking fraud searches. Insurers pass information to fraud prevention agencies and databases including the Claims Underwriting and Exchange Register and where appropriate the Motor Insurance anti-Fraud and Theft Register by Motor Insurers' Bureau (MIB). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.
- Compliance with legal obligations and responsibilities.
 - Claims management - In the event of a claim we may need to disclose information with any other party involved in that claim such as third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claims and conviction history.
 - Complaints management -If you make a complaint about the service we have provided, we may be obliged to forward details about your complaints, including your personal information, to the relevant ombudsman.
 - Information about your insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other bodies permitted by law. This information may be used for purposes permitted by law, which include but are not limited to:
 - Electronic Licensing
 - Continuous insurance enforcement
 - Law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
 - The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the European Economic Area or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representative) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your current registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police.

You can check that your current registration number details are shown on the MID at www.askmid.com.

How your data will be processed

- Information which is supplied to fraud prevention agencies and databases such as MIB and MID can include details such as your name, address and date of birth together with details of any injury arising from a claim.
- your data may be supplied to databases in order to facilitate automatic no claim discount validation checks.
- Your data may be transferred to any country, including countries outside of the European Economic Area, for any of the purposes mentioned above.
- Under your policy you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the fraud prevention agencies and databases such as MIB.

You can ask for more information about this. If you require such information, please contact Aviva Insurance Limited.

How we use your data - Driving Licence Number

Insurance underwriting purposes i.e. to examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:

- Provide your (or any person included on the proposal) Driving Licence Number (DLN) to the DVLA to confirm your (or the relevant person included on the proposal) licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out

prior to the date of the insurance policy and at any point throughout the duration of your insurance policy including at the mid-term adjustment and renewal stage. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence.

- Searches may be carried out at point of quote and, if an insurance policy is accepted, at renewal stage.

Please note that if you give us false or inaccurate information it may invalidate your insurance policy/prospective insurance policy or it could affect the amount we pay to settle any claims you make under the policy.

Credit Reference Agency Searches

We or our agents may:

- undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims,
- carry out a quotation search from a credit reference agency. This will appear on your credit report and will be visible to other credit providers. It will be clear it's a quotation and not a credit application by you. We do this so that we are able to offer you a monthly credit payment option.

We use data from our credit reference agency to verify your identity, prevent fraud and carry out risk profiling which allows us to calculate your premium and payment options. We may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested.

Where you agree to pay monthly under an Aviva credit agreement, the status of your quotation search from our credit reference agency (CRA) will be updated to reflect your credit application and this will be visible to other credit providers. CRA's may keep a record of this search.

In order to assess your application, we will supply your personal information to our CRA and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity. We will also continue to exchange information about you with CRA's on an ongoing basis, including about your settled accounts and any debts not fully repaid on time. CRA's will share your information with other organisations. Your data will also be linked to the data of your spouse, any joint applicants or other financial associates.

The identity of our CRA and the ways in which they use and share personal information, are explained in more detail at www.transunion.co.uk/crain.

Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms, deal with claims or carry out fraud checks. In particular we use an automated underwriting engine to provide a quote for this product, using the information we have collected.

How we share your personal information with others

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us, and your intermediary and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,
- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements. They will

use your data to decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area ("EEA"). We'll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. For more information on this please see our Privacy Policy or contact us.

Marketing

We may use personal information we hold about you across the Aviva Group to help us identify and tailor products and services that may be of interest to you. How long we keep your personal information for

We maintain a retention policy to ensure we only keep personal information for as long as we reasonably need it for the purposes explained in this notice. We need to keep information for the period necessary to administer your insurance and deal with claims and queries on your policy. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes. We will also use this information for marketing purposes.

Your rights

You have various rights in relation to your personal information, including the right to request access to your personal information, correct any mistakes on our records, erase or restrict records where they are no longer required, object to use of personal information based on legitimate business interests, including profiling and marketing, ask not to be subject to automated decision making if the decision produces legal or other significant effects on you, and data portability. For more details in relation to your rights, including how to exercise them, please see our full privacy policy or contact us - refer to the "Contacting us" details below.

Contacting us

If you have any questions about how we use personal information, or if you want to exercise your rights stated above, please contact our Data Protection team by either emailing them at dataprt@aviva.com or writing to the Data Protection Officer, Level 5, Pitheavlis, Perth PH2 0NH.

If you have a complaint or concern about how we use your personal information, please contact us in the first instance and we will attempt to resolve the issue as soon as possible. You also have the right to lodge a complaint with the Information Commissioners Office at any time.

Fraud Prevention and Detection

In order to prevent and detect fraud we may at any time:

- Undertake searches against your (or any person included on the proposal) DLN against details held by the DVLA to confirm your licence status, entitlement and restriction information and endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA

should not show a footprint against your (or another relevant person included on the proposal) driving licence;

- Share information about you with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file your details with fraud prevention agencies and databases, and if you give us false or inaccurate information and we suspect fraud, we will record this to prevent fraud and money laundering.

We can supply on request further details of the agencies and databases we access or contribute to and how this information may be used. If you require further details please contact us at:

Policy Investigation Unit, Aviva, Cruan Business Centre, Westerhill Business Park, 123 Westerhill Road, Bishopbriggs, Glasgow G64 2QR. Telephone: 0345 300 0597. Email: PIUUKDI@AVIVA.COM

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for you and members of your household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage your accounts or insurance policies;
- Check your identity to prevent money laundering, unless you provide us with other satisfactory proof of identity;
- Check details of job applicants and employees.

Claims History

- Under the conditions of your policy you must tell us about any Insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.
- We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

You should show these notices to anyone insured to drive the vehicle(s) covered under the policy.

Copy Policy Availability

A policy booklet was issued at the commencement of your cover, however if you would like to receive a new policy booklet please let us know by contacting your insurance adviser.

Renewing Your Insurance

Your insurance adviser will contact you before your renewal date and will either:

1. Give you an opportunity to renew your insurance for a further year and tell you:
 - about any changes we are making to the terms and conditions of your policy; and
 - to review your circumstances and consider whether this insurance continues to meet your needs;
 - to check that the information you have provided us with is still correct, and tell us if anything has changed; and
 - the price for next year.

If you wish to make any changes at renewal, please contact your insurance adviser.

Or

2. Let you know that we are unable to renew your insurance. Reasons why this may happen include but are not limited to the following:
 - when the product is no longer available; or
 - when we are no longer prepared to offer you insurance for reasons such as:

- o we reasonably suspect fraud;
- o your claims history;
- o we have changed our acceptance criteria;
- o you are no longer eligible for cover; and/or
- o where you have not taken reasonable care to provide complete and accurate answers to the questions we ask. See the 'Important Notice - Information and changes we need to know about' section within this document.

A cooling off period (14 days from renewal of the contract or the day on which you receive your renewal documentation, whichever is the later) applies at the renewal of your insurance. Please read 'Your cancellation rights' in your policy booklet which explains how this works.

Ensuring You Have Continuous Cover

If you are thinking of cancelling or not renewing with us, make sure you can get the alternative cover you need before your policy ends.
